DEDICATION

Dear Parents,

We, you sons and daughters of the Class of 1955, sincerely dedicate to you this eighteenth publication of the LEXIAN. You who have so unselfishly given your time and efforts to our best interests have been especially in our thoughts during the past year. As we approach maturity, our understanding of your ever-present devotion increases. With this conviction that each class member has drawn strongly on home reservoirs of ideals, courage, and tolerance, it is our hope that you will enjoy this LEXIAN.

May this book in some way reflect our warm feelings for you. As you leaf through these pages, we want you to know that each one says, "Thanks, Mom and Dad, for everything."
